I offer honesty, dedication, loyalty and over 27 years of community service. I am currently serving a third term as Neighborhood Board Chair. I also serve on the Honolulu Committee on Aging, Hawaii Juvenile Justice Project, Native Hawaiian Convention and Kunawai Neighborhood Watch and Patrol, which I helped to organize.

As NB #14 chair, I have: Strived to make the Board active and responsive to community needs. (All community concerns are placed on our agenda until they are resolved); Held Forums on Education, Neighborhood Watch & Patrol, Identity Theft, and Identifying Drug Activity.

As your State Representative, I will: Hold at least six community meetings a year to gather information to take back to the legislature; Continue to be active and responsive to our community needs; and Create an Information Center for our Community.

I humbly ask for your support and vote.
